

IN THE MICHIGAN COURT OF APPEALS

ORDER

Re: People of MI v Michael Steven Kidd

Docket No. 266595

L.C. No. 2004-195716-FH

William C. Whitbeck, Chief Judge, acting under MCR 7.203(F)(1) and 7.216(A)(10),
orders:

The delayed application for leave to appeal is DISMISSED because appellant failed to file the application within 12 months of the judgment of sentence as required by MCR 7.205(F)(3) and the register of actions does not show that any motion for postjudgment relief was filed within that 12 month period.
